7 MINUTES 11 SECOND VIRAL ORIGINAL VIDEO

I couldn't find any information on a specific viral video called "7 Minutes 11 Second Viral Original Video." It's possible that this is a reference to a lesser-known or older video.

However, I found a YouTube video called "7 Minutes in Heaven: The Original" that was uploaded by the channel "The Asylum" in 2008. The video is a mockumentary-style horror film and it has gained some popularity over the years.

If you could provide more information or context about the video you are thinking of, I may be able to help you better.
