The trailer for 'The Devil Wears Prada 2' has not been released, but given that the first film is based on the novel by Lauren Weisberger and the sequel is not officially confirmed, it's unlikely to be released on Netflix. The original film was a major Hollywood production starring Anne Hathaway and Meryl Streep, which was not associated with Netflix.

However, a sequel to the original novel 'The Devil Wears Prada' was published in 2022 by Lauren Weisberger titled 'The Return,' which could potentially be adapted into a film or series in the future.
